

### GENERAL INFORMATION

This programme is for children, teenagers, students and adults who want to learn or improve a language and are willing to work on their own.

### PROGRAMME

#### Training sequence

- Online level test
- The student formulates their objectives
- To improve your oral fluency or prepare for exams, you can also join classroom sessions (individual or in groups).
- Attestation of course and level

#### Activities: 1 pack = 5 activities

- The trainer sends 1 activity pack to each learner
- Learners do the activities at their own speed, whenever they want to. They hand their work in after having done 5 activities.
- Upon receipt of the work, the teacher sends the marked exercises back as soon as possible.
- If the learner has questions, the trainer will send explanations and tips.
- The trainer adapts the content to the learner's level, demands and needs.
- After each pack, the learner receives a new pack of 5 activities.
