# PRIVATE LESSONS

1 person

## GENERAL INFORMATION

Private lessons are for children, teenagers and adults who prefer working alone with a trainer and want to choose their own programme, timeslot, day and frequency according to their schedule and availability.

We offer specialised courses **geared to the goals**, profession or training level of the participants. These can be based specifically on oral practice, which allows learners to gain confidence, prepare for a seminar, a presentation, receiving customers, answering the telephone, or simply talking to people in a foreign language when on holiday or in everyday life.

More structured, interactive courses are also available to **prepare for an exam** or test at any level, or to improve your grammar and spelling, even in your native language.

## PROGRAMME

The programme is defined according to the **learner's needs and goals**. Whether it's for work or for leisure, the trainer will know how to adapt the course material to your wishes.

## DATES

Lessons are therefore open **throughout the year**, from Monday to Friday, also during school holidays (except for Christmas).

Christmas and New Year's holiday 2021/2022:  
25.12.2021 to 02.01.2022

## LEVELS TAUGHT

Our qualified and experienced trainers use their expertise to the benefit of our learners at all levels as described in the Common European Framework of References for Languages (CEFR). They also prepare students for **all available exams**.

## HORAIRES
