SEMI-PRIVATE LESSONS

2 to 3 people

GENERAL INFORMATION

Semi-private lessons are for couples, friends or colleagues who want to learn or improve a foreign language by motivating each other, according to their schedule and availability.

We offer specialised courses **geared to the goals**, profession or training level of the participants. These can be based specifically on oral practice, which allows learners to gain confidence, prepare for a seminar, a presentation, receiving customers, answering the telephone, or simply talking to people in a foreign language when on holiday or in everyday life.

More structured, interactive courses are also available to **prepare for an exam** or test at any level, or to improve your grammar and spelling, even in your native language.

LEVELS TAUGHT

Our qualified and experienced trainers use their expertise to the benefit of our learners at **all levels** as described in the Common European Framework of References for Languages (CEFR).

They also prepare students for **all available exams**.

HORAIRES

The advantage of semi-private lessons is that you can choose your timeslots and frequency according to **your wishes and availability**.

DATES

Lessons are therefore open **throughout the year**, from Monday to Friday, also during school holidays (except for Christmas).

Christmas and New Year's holiday 2021/2022:
25.12.2021 to 02.01.2022
